Applicants hereby request a change of status from small entity to large entity for the above-identified application. This change is required because of the licensing of this application to a third party, and as a result of the licensee's clarification of its proper entity status. Small entity status was originally established in good faith, and the small entity fees for this application were paid in good faith. However, after a more thorough review of the entity status of the present licensee, it has subsequently been determined that small entity status may not apply and was therefore established in error. Applicants respectfully request that the error be excused and that entity status be corrected, pursuant to the provisions of 37 C.F.R. §1.28(c).

Applicants submit herewith a check for \$1766.00, which represents the deficiency occasioned by the payment of small entity rather than large entity fees during the prosecution of this case following the assignment to a large entity. The deficiency is based on the amount of fees in effect as of the date of this submission, pursuant to 37 C.F.R. §1.28(c).

Specifically, the check includes dollar amounts as follows for the following items:

Small Entity Amount Paid	Item/Date Submitted	Large Entity Fee	Deficiency Submitted Herewith
\$370.00	Basic Filing Fee Submitted November 14, 2001	\$740.00	\$370.00
\$351.00	Additional Claims Fee Submitted November 14, 2001	\$702.00	\$351.00
\$65.00	Late Filing Fee Submitted November 14, 2001	\$130.00	\$65.00
\$980.00	Extension of Time Fee (5 months) Submitted November 14, 2001	\$1960.00	\$980.00

If the Commissioner of Patents and Trademarks determines that any other fees or deficiencies are occasioned by this error in the entity status of the application, the Commissioner is hereby authorized to deduct said fees from Fulbright & Jaworski Deposit Account No. 50-1212/10102539/SLH.

Respectfully submitted,

Steven D. Highlander
